

Join Us on the **CUTTING EDGE** of **BIG DATA** Solutions

Spend a Day with the Sharpest Problem-Solvers in Big Data. Absolutely Free.

Your free FlexITy workshop has one goal: to help you cut through the complexities of your current IT situation and find a clear path forward.

Sample Workshop Agenda

Although your workshop will be fully customized to address your particular needs, we want to share the following sample agenda with you. It shows what a typical FlexITy workshop day looks like:

9:00 – 9:15 a.m.	Opening remarks & introductions
9:15 – 10:30 a.m.	IT/Business strategy, 1-year goals, decision criteria, constraints & challenges
10:30–1:30p.m. (over lunch)	Functional review: servers, storage, virtualization, analytics, business continuity and recovery, network, telephony, security, facilities, data center issues
1:30 – 3:00 p.m.	Preliminary Gap Analysis (current state vs. future state) and Road Map to alignment with core IT and Business strategy
3:00 – 3:30 p.m.	Next steps toward a full, detailed Gap Analysis and Road Map

To schedule and customize your free workshop with FlexITy's cutting-edge problem-solvers, email info@FlexITy.ca or call toll free 866-779-FLEX (3539) and press "0".
